Director Joseph A. Holmes, Back from Trip, Makes Predictions.

GOLD MINING PROSPECTS

Territory May Be Scene of Extensive Operations if Proper Transportation Facilities Are Provided.

losept A. Holmes, director of the States Bureau of Mines, returned hay from a trip to Alaska, He d more than 15,00 miles. Directors made a survey of the inheral littles of Alaska, and be predicted ultim two years Alaska will see velopment of two of the greatest die ore infines in the world. He agas that if proper transportation as are provided the Territory will scene of large gold mining operation.

e scein of large gold mining oper-imparatively little attention has said to the possibilities of quarts de mining in Alaska," said Dr. es, "though the Treadwell, one of reatest gold mines in the Unites se territory, has long given rep-mand stability to Alaska minina. Se Juneau region, however, two developments of low-grade ore de-nove are under way, and it is like-tive thin a few years there will be ther great gold producing mines in region, outranking the Treadwell-per transportation farilities are de-dicted and the second of the con-perture of the produced of the see similar large gold mining oper-tin many pertures of the territory. We the nuch developments we will we the method of the developments we will

Funeral Services for Harry F. Lerch, a Well-Known Lawyer, Will Re Held Tomorrow.

Vienna, Nov. &—Trouble again is loom-ing upon the Balkan horizon. A telegram today from Belgrade states that relations between Bervia and Greece over division of the spoils won in the second Balkan war between the former allies are be-coming acute. There are hitts that Bul-garia may declare war again if the ai-liance between Servia and Greece is broken off.

Dr. Abram Simon Installs New Officials, Who Respond to Toasts. House Celebrates Anniversary.

Beady wit, refined humor and stirring remarks characterized the speaches at the installation of officers of the Col-legistic Cub last night at the Collegiste Clubbouse, 150; Eleventh street North-west.

in the presence of a number of members, their vives and summer friends. Dr. Abram Simon, who holds the distinction of being the first honorary member of the club, installed the new officers. Harry O. Sandberg officiated as toast-muster, and called upon the following honor guests for addresses; Julius I. Feyrser, Rabbit Louis Stern, Dr. I. Shapiro and Milton Stramburger.

The thatallation was held in the form of a supper limited to members, and the groung collegians with their guests were srouped about individual tables in the large front hall of the attractive cital-house. The rooms were tastefully decorated with honner and foral pieces, a number of the litter being presented in honor of the first anniversary of the opening of the house. An enjoyable musical program and dancing completed the program.
